RACC is going to include questions referencing the Uniform Guidance into the examinations on a slight delay and over a period of time/phases. This decision was based on the fact that one of our eligibility requirements is that a research administrator needs to have at least three years of experience in the profession, so we are essentially testing information which should have been acquired from working during the last three years. Additionally, many of the changes to the annual audit requirements do not take place immediately and are implemented over time.

RACC has decided to phase the new regulations into our examinations gradually, so that by the end of three years the examinations will be totally based on the new Uniform Guidance and the resulting agency positions in the management of their awards. We believe that this phased approach will also mirror how research administrators will be implementing the regulations in daily decisions and in our roles.

The CFRA Examination will consist of items based entirely on 2 CFR 200 (Uniform Guidance) by 2018.

CERTIFICATION

The Research Administrators Certification Council (RACC) promotes the concept of voluntary certification by examination for all financial research and sponsored programs administrators. After passing this examination, an individual earns the Certified Financial Research Administrator (CFRA) designation. Certification is just one part of a process called “credentialing”. It focuses specifically on the individual and is one indication of current competence in this specialized field. Certification in financial research and sponsored programs administration is highly valued and provides formal recognition of basic knowledge in this field.

REASONS FOR CERTIFICATION

1. To provide documented evidence to a current or potential employer that an individual has been examined by an independent professional certifying organization and found to possess a certain level of basic knowledge of financial research and sponsored programs administration.

2. To provide personal and professional satisfaction of achievement of meeting established criteria indicating the attainment of a level of basic knowledge that is customary to be a professional in the field of financial research and sponsored programs administration.

3. To demonstrate commitment to the profession and to one's peers that an individual has taken the time and effort, beyond job experience, to learn the Financial Body of Knowledge, thus exhibiting a significant responsibility to working in the profession of financial research or sponsored programs administration.

ELIGIBILITY REQUIREMENTS

1. Bachelor's degree and three (3) years of professional experience in financial research administration or sponsored programs administration either in a sponsoring or recipient organization or the equivalent in a self-funded organization; OR

2. An Associate’s degree and five (5) years of professional experience in financial research administration or sponsored programs administration either in a sponsoring or recipient organization or the equivalent in a self-funded organization; OR

3. No degree and six (6) years of professional experience in the financial research administration or sponsored programs administration either in a sponsoring or recipient organization or the equivalent in a self-funded organization*

*Petitions for approval of this option are available on the RACC website, [http://www.racc-cert.org/CFRApetition.htm](http://www.racc-cert.org/CFRApetition.htm)

The CFRA designation is awarded for a period of five (5) years at which time a CFRA must recertify for an additional five (5) years by one of two methods:

1. Earning 80 contact hours of education credits during the preceding 5 years, 80% of which (64 credits) must be taken in topics related specifically to financial activities

SCHEDULING YOUR EXAMINATION APPOINTMENT

Once your application has been received and processed and your eligibility verified, you will be sent an email from PTC confirming receipt of payment and acceptance of application. Within six weeks prior to the first day of the testing period, you will be sent a Scheduling Authorization via email from notices@ptcny.com. Please ensure you enter your correct email address on the application and add the ‘ptcny.com’ domain to your email safe list. If you do not receive a Scheduling Authorization at least three weeks before the beginning of the testing period, contact the Professional Testing Corporation at (212) 356-0660 for a duplicate copy.

The Scheduling Authorization will indicate how to schedule your examination appointment as well as the dates during which testing is available. Appointment times are first-come, first-serve, so schedule your appointment as soon as you receive your Scheduling Authorization in order to maximize your chance of testing at your preferred location and on your preferred date.

Your current government-issued photo identification, such as a driver’s license or passport, must be presented in order to gain admission to the testing center. PTC also recommends you bring a paper copy of your Scheduling Authorization and your PSI appointment confirmation with you to the testing center.

After you make your test appointment, PSI will send you a confirmation email with the date, time and location of your exam. Please check this confirmation carefully for the correct date, time and location. Contact PSI at (800) 733-9267 if you do not receive this email confirmation or if there is a mistake with your appointment.

- It is your responsibility as the candidate to call PSI to schedule the examination appointment.
- It is highly recommended that you become familiar with the testing site prior to the test date.
- Arrival at the testing site at the appointed time is the responsibility of the candidate. Please plan for weather, traffic, parking, and any security requirements that are specific to the testing location. Late arrival may prevent you from testing.
CHANGING YOUR EXAMINATION APPOINTMENT

If you need to cancel your examination appointment or reschedule to a different date within the two-week testing period, you must contact PSI at (800) 733-9267 no later than noon, Eastern Standard Time, of the second business day PRIOR to your scheduled appointment. PSI does not have the authority to authorize refunds or transfers to another testing period.
