PROMOTING A
NEW LEVEL OF CARE.
MISSION STATEMENT
We exist to protect and improve the podiatric health and welfare of the public.

AMERICAN BOARD OF MULTIPLE SPECIALTIES IN PODIATRY
The American Board of Multiple Specialties in Podiatry (the Board) was incorporated in 1986 to promote certification among podiatrists. In 2008, its certification programs were accredited by the American National Standards Institute (ANSI) for meeting the international standards for accreditation programs as set forth in ANSI/ISO/IEC/17024:2003. In 2012, the ABMSP was also accredited by URAC (Utilization Review Accreditation Commission).

PURPOSE STATEMENT
The specific and primary purpose of the American Board of Multiple Specialties in Podiatry is: (i) to develop and implement national and international standards for and to administer examinations for certification in (a) primary care in podiatric medicine and (b) foot and ankle surgery; (c) prevention and treatment of diabetic foot wounds and diabetic footwear; and (d) limb preservation and salvage; (ii) to grant recognition to individuals who meet the standards; (iii) to monitor the adherence to the standards by podiatrists certified by the corporation; and (iv) to maintain a registry of podiatrists certified by the corporation.

American Board of Multiple Specialties in Podiatry Certification Examinations
- Primary Care in Podiatric Medicine
- Foot and Ankle Surgery
- Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear
- Limb Preservation and Salvage

STATEMENT OF IMPARTIALITY
The ABMSP understands the importance of maintaining impartiality in all of its decision making and certification activities. The ABMSP Board of Directors is responsible for ensuring that the organization carries out its activities in an impartial manner, managing real or perceived conflicts of interest, and insuring objectivity in its decision making process.
THE ROLE OF CERTIFICATION

Certification is a voluntary process in which individuals are recognized for advanced knowledge, competence, and skill. Certification requires assessment, testing, and evaluation of education and/or experience. Certification by the American Board of Multiple Specialties in Podiatry is sought voluntarily by podiatrists in order to attain a credential which attests to their training and experience as providers of services to persons who suffer from diseases and deformities of the foot.

OBJECTIVES OF CERTIFICATION

To establish competency in podiatric medicine, foot and ankle surgery, diabetic foot wounds and footwear and limb preservation and salvage by:

1. Providing a standard of requisite knowledge for certification in podiatric medicine, foot and ankle surgery, diabetic foot wounds and footwear and limb preservation and salvage.

2. Recognizing formally those individuals who meet the eligibility requirements of the American Board of Multiple Specialties in Podiatry and pass examinations in specialties within the field of podiatry.

3. Encouraging continued professional growth in podiatric medicine, foot and ankle surgery, diabetic foot wounds and footwear, and limb preservation and salvage.

4. Establishing and measuring the level of knowledge required for certification in specialties within the field of podiatry.

ELIGIBILITY REQUIREMENTS

Primary Care in Podiatric Medicine:

1. The Board shall require candidates for certification to have successfully completed a residency training program approved by the CPME or another recognized accrediting body accepted by the CPME. (Submit proof of completion of residency with application.)

2. Hold a current DPM license. (Submit a copy of current DPM license with application.)

3. Hold a DPM degree in the United States (or territorial possession). (Submit a copy of degree with application.)

4. Submit a copy of the front of a current driver’s license or other government photo ID.

5. Conduct a search of the National Practitioners Database and submit a copy of your record.

6. Two letters of professional recommendation, on letterhead, from fellow podiatrists.

7. A letter, on hospital letterhead, confirming the completion of a residency.
8. Completion of consent form.

9. Post graduate resume, showing podiatric work history from the time of graduation to the present.

10. Completion and filing of the application for the Primary Care in Podiatric Medicine Certification Examination.

11. Payment of required fee(s) (see fees on page 6).

12. Submission and the Board acceptance of at least seven (7) documented primary care cases, which meet the Board’s established case submission requirements plus essay. Submission of cases must be made within one year of examination date and performed within a two year time frame.

NOTE: Be sure to review the Case Submission Guidelines on the website, www.abmosp.org prior to applying to take the exam.

A minimum of 7 cases plus one essay is required to complete the board certification process in Primary Care in Podiatric Medicine. Candidates must submit 7 cases from the following list but no more than one case per category:

1. Viral pathology
2. Bacterial pathology

9. Post graduate resume, showing podiatric work history from the time of graduation to the present.

10. Completion and filing of the application for the Foot and Ankle Surgery Certification Examination.

11. Payment of required fee(s) (see fees on page 6).

12. Submission and the Board acceptance of at least fifty (50) documented surgical cases which meet the Board’s established case submission requirements. Submission of case documentation must be made within two years of examination date and performed within a four year time frame.

**IMPORTANT NOTE:** Certification in Foot and Ankle Surgery will be conferred only upon successful completion of certification in Primary Care from the ABMSP or from another nationally recognized certification organization.

**NOTE:** Be sure to review the Case Submission Guidelines on the website, [www.abmsp.org](http://www.abmsp.org) prior to applying to take the exam.

50 cases are required to become Board certified in Foot and Ankle Surgery. Case versatility is mandatory. No more than 5 similar procedures may be submitted. All cases must have been performed within a 4 year time frame but no later than 2 years following examination for certification. Cases must be submitted and accepted within 2 years of notification of passage of the certification examination.

**APPEALS ON ELIGIBILITY**

Candidates who have been deemed ineligible to sit for an examination may appeal in writing to the American Board of Multiple Specialties in Podiatry. The letter must be accompanied by supporting documents. The appeal must be received within 10 days after the notice of ineligibility is sent to the candidate. The American Board of Multiple Specialties in Podiatry will review the appeal and notify the candidate in writing of its decision within 10 days of receipt of the written appeal.
ADMINISTRATION

The Certification Program is sponsored by the American Board of Multiple Specialties in Podiatry (the Board). The examination is psychometrically developed and independently administered for the Board by the Professional Testing Corporation (PTC), 1350 Broadway - 17th Floor, New York, New York 10018, (212) 356-0660, www.ptcny.com. Questions concerning the examination should be referred to PTC.

Questions concerning eligibility for the examination should be directed to the Board at (888) 852-1442. Questions concerning admission to the examination and test sites should be directed to PTC at (212) 356-0660.

The American Board of Multiple Specialties in Podiatry name, logo, certificates, cards, and abbreviations are the exclusive property of the Board. Use of these and all Board materials in any manner not permitted by the Board’s Code of Professional Practice, and any use by non-Board certificants, is not authorized and is prohibited by law.

NON-DISCRIMINATION

The American Board of Multiple Specialties in Podiatry does not discriminate against any individual on the basis of race, color, religion, gender, national origin, age, disability or any other characteristic protected by law.

ATTAINMENT OF CERTIFICATION AND RECERTIFICATION

Candidates who pass the Certification Examination and case submissions in Primary Care in Podiatric Medicine and/or Foot and Ankle Surgery and who adhere to the Board’s Code of Professional Practice are eligible to indicate Board Certification in Primary Care in Podiatric Medicine and/or Foot and Ankle Surgery and will receive certificates from the American Board of Multiple Specialties in Podiatry. A registry of those certified in Primary Care in Podiatric Medicine and/or Foot and Ankle Surgery will be maintained by the Board and may be reported in its publications.

Certification is valid for a period of four (4) years at which time the candidate must submit a completed application for recertification, other material as might be required, and be in compliance with all Board requirements.

REVOCATION OF CERTIFICATION AND OTHER DISCIPLINE

Individuals who fail to meet the requirements set forth in the Board’s Code of Professional Practice may have their Certification revoked.

Surgery is $500.00; and the cost of both examinations taken within the
same testing period is $1,000.00.)

6. The statement: “I authorize release of my test information to the VA.”

If you have never previously filed a claim for VA educational benefits under
the Montgomery G.I. Bill, you must also submit an application for benefits.

For additional information, please contact the Department of Veterans
Affairs ("VA") at 1-888-GIBILL-1 (1-888-442-4551) or consult the VA
website at www.gibill.va.gov.
The Certification Examinations for Primary Care in Podiatric Medicine and Foot and Ankle Surgery are administered during an established two-week testing period on a daily basis, Monday through Saturday, excluding holidays, at computer-based testing facilities managed by PSI. PSI has several hundred testing sites in the United States, as well as Canada. Scheduling is done on a first-come, first-serve basis. To find a testing center near you visit: http://candidate.psiexams.com/testdate/testdate.jsp or call PSI at (800) 733-9267. Please note: Hours and days of availability vary at different centers. You will not be able to schedule your examination appointment until you have received an Eligibility Notice from PTC.

A Testing Software Tutorial can be viewed online.
Go to https://candidate.psiexams.com/tutorial.jsp
This online Testing Software Tutorial can give you an idea about the features of the testing software.

Candidates can experience what the computerized test will be like by taking an online practice exam. This sixty (60) question practice test gives a glimpse into the Primary Care in Podiatric Medicine and/or the Foot and Ankle Surgery Examinations using actual questions which have been retired from the past forms of the examinations. Scores by content area are provided upon completion. This is an opportunity to experience taking the computerized examination, to review the content included in the examination and to learn more about the question format and style. Two (2) hours are allotted to complete the sixty (60) questions for a fee of $75. The examinations can be found at the PTC website, www.ptcny.com.

Once your application has been received and processed, and your eligibility verified, you will be sent an Eligibility Notice within the 6 week period preceding the start of the testing period. A paper copy of your Eligibility Notice plus current government-issued photo identification such as a driver’s license or passport must be presented in order to gain admission to the testing center. A candidate not receiving an Eligibility Notice at least three weeks before the beginning of the testing period should contact the Professional Testing Corporation by telephone at (212) 356-0660.

The Eligibility Notice will indicate how to schedule your examination appointment as well as the dates in which testing is available. Appointment times are first-come, first-serve, so schedule your appointment as soon as you receive your Eligibility Notice in order to maximize your chance of testing at your preferred location and on your preferred date.

- It is your responsibility to call PSI to schedule the examination appointment.
It is highly recommended that you become familiar with the testing site.

Arrival at the testing site at the appointed time is the responsibility of the candidate. Please plan for weather, traffic, parking, and any security requirements that are specific to the testing location. Late arrival may prevent you from testing.

SPECIAL NEEDS

Special testing arrangements can be made for individuals with special needs. Submit the Application, Examination Fee, all required documentation, and a completed and signed Request for Special Accommodations Form, available from www.ptcny.com or by calling PTC at (212) 356-0660. Requests for special testing for individuals with special needs must be received at least EIGHT weeks before the testing period begins.

Please notify PTC at least two weeks prior to your examination appointment if you need to bring a service dog, medicine, food, or beverages needed for a medical condition with you to the test center.

CHANGING YOUR EXAMINATION APPOINTMENT

If you need to cancel your examination appointment or reschedule to a different date within the two-week testing period you must contact PSI at (800) 733-9267 no later than noon, Eastern Standard Time, of the second business day PRIOR to your scheduled appointment.

RULES FOR EXAMINATION

1. Hand-held, battery or solar operated, nonprinting and nonprogrammable calculators are permitted.

2. No papers, books or other reference materials may be taken into or removed from the examination room.

3. Electronic devices, including but not limited to, cell phones, pagers, Bluetooth type devices, MP3 players such as iPods, cameras, laptop computers, tablets and voice recorders cannot be used during the examination.

4. No questions concerning content of the examination may be asked during the testing period. The candidate should carefully read the directions that are provided on the screen at the beginning of the examination session.

5. Anyone giving or receiving assistance of any kind will have all test materials taken away and will be asked to leave the room.

6. Visitors are not permitted in the examination room.

7. Test documents and notes must remain in the examination room. Removing any test material by any means is prohibited.

8. The Board prohibits certain behaviors, including (but not limited to) the activities listed below.
A. Copying test questions.
B. Copying answers.
C. Permitting another to copy answers.
D. Falsifying information required for admission to an examination.
E. Impersonating another examinee.
F. Taking the examination for any reason other than for the purpose of seeking certification.

9. Candidates are prohibited from leaving the testing room while their examination is in session, with the sole exception of going to the restroom.

**REPORT OF RESULTS**

Within four weeks after the testing period ends, candidates will be notified in writing by Professional Testing Corporation of their examination results. The total score and scores on major areas of the examination will be indicated whether the candidate passes or fails. No scores will be reported over the telephone, fax or by e-mail. Candidates will not be permitted to review the questions they missed.

**EXAMINATION CHALLENGES**

It is the policy of the American Board of Multiple Specialties in Podiatry to provide every candidate with an opportunity to question the reliability, validity, and/or fairness of a test and its questions. Candidates may comment about any test question or questions, test procedure, and/or the test itself by completing the comment form, which is found at the end of every examination. Alternatively, a candidate may submit a complaint in writing to the Board administrative offices no later than fourteen (14) calendar days after taking the examination. Complaints and challenges must be communicated in writing and within this timeframe; the Board will NOT consider late challenges or complaints, or complaints not submitted in writing.

All challenges and complaints shall receive the Board’s full attention. The Board shall investigate each challenge or complaint and acknowledge it in writing to the complaining candidate.

**PASSING SCORE**

The examinations are Pass or Fail examinations only. The method used to set the passing score for the examinations is in accordance with standard criterion-referenced passing score standards. The passing score is set by the Board of Directors of the American Board of Multiple Specialties in Podiatry using generally accepted psychometric principles and methods to determine what constitutes a competent podiatric professional. Each candidate is measured against a standard of knowledge, not against the performance of other individuals taking the examination.

The examination consists of 250 multiple-choice questions, with 4 responses, only one of which is correct. The passing score for the Primary Care in Podiatric Medicine Certification Examination is 168 and the passing score for the Foot and Ankle Surgery Certification Examination is 165.
**REEXAMINATION**

The Certification Examination in Primary Care in Podiatric Medicine and the Certification Examination in Foot and Ankle Surgery may be taken as often as desired upon re-registration and payment of the examination fee(s).

**CONFIDENTIALITY**

1. The Board will release the individual test scores ONLY to the individual candidate.

2. Any questions concerning test results should be referred to the Board or the Professional Testing Corporation.

3. The American Board of Multiple Specialties in Podiatry will publish a list of candidates who pass the examinations each year and will maintain a current listing of diplomates. The Board certification status, but not scores, will be released upon request. Requests should be submitted to the Board’s administrative office.

**CONTENT OF EXAMINATION**

1. The Primary Care in Podiatric Medicine Certification Examination and Foot and Ankle Surgery Certification Examination are computer-based examinations composed of 250 multiple choice, objective questions with a total testing time of three and one-half (3-1/2) hours each.

2. The content for the examinations is described in the Content Outlines starting on page 11.

3. The questions for the examination are obtained from individuals with expertise in primary care in podiatric medicine and foot and ankle surgery and are reviewed for construction, accuracy, and appropriateness by the American Board of Multiple Specialties in Podiatry.

4. The American Board of Multiple Specialties in Podiatry, with the advice and assistance of the Professional Testing Corporation, prepares the examinations.

AMERICAN BOARD OF MULTIPLE SPECIALTIES IN PODIATRY

CONSENT FORM

I, _________________________________________, certify that all information contained in my application for certification in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear/ Limb Preservation and Salvage] is true and accurate to the best of my knowledge. I certify that I have read and understand the requirements for certification as set forth in the Certification Examination in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear/ Limb Preservation and Salvage] Handbook for Candidates. In addition, I hereby authorize the American Board of Multiple Specialties in Podiatry (the Board) and its officers, directors, committee members, employees, and agents (“the above designated parties”) to review my application to take the certification examination in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear/ Limb Preservation and Salvage]. I authorize the Board to determine my eligibility for certification in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear/ Limb Preservation and Salvage]. I agree to revocation or other limitation of my certification if any statement made on my application or hereafter supplied to the Board is false or inaccurate or if I violate any of the rules or regulations of the Board.

I understand and agree that if I am granted certification in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear/ Limb Preservation and Salvage], it will be my responsibility to remain in compliance with all certification standards. I understand it is my responsibility to maintain valid certification status by complying with all recertification requirements and timely submitting such proof of compliance as is required by the Board.

I agree to cooperate promptly and fully in any review of my certification by the Board, including submitting such documents and information deemed necessary to confirm the information in my application. I authorize the above designated parties to communicate any and all information relating to any application, certification status, and review thereof, including, but not limited to, pending or outcome of disciplinary proceedings to state and federal authorities, employers, and others.

I understand that the Board reserves the right to refuse my admission to any examination if I do not have an Admission Notice and proper photo identification, or if administration of the examination has begun. If I am refused admission for any of these reasons or fail to appear at the test site, I will not receive a refund of the application or examination fees and there will be no credit for future examinations. I authorize the proctors at my assigned test site to maintain a secure and proper test administration at their discretion. I acknowledge that in this capacity, the proctors may relocate me before or during the examination. I will not communicate with other examinees in any way.
I understand that I may only seek admission to take the examination in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear/ Limb Preservation and Salvage] for the purpose of seeking certification in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear/ Limb Preservation and Salvage], and for no other purpose. Because of the confidential nature of the examination, I will not take any examination materials from the test site, reproduce the examination materials, or transmit the examination questions or answers in any form to any other person.

I understand that review of the adequacy of examination materials will be limited to computing any scoring correction. If I do anything which is not authorized or which is prohibited by the Board in connection with any examination, I understand that my examination performance may be voided, and such activity may be the subject of legal action. In a case where my examination performance is voided, I will not receive a refund of the application or examination fees, and there will be no credit for any future examination.

I waive all further claims of examination review and agree to indemnify and hold harmless the above designated parties for any action taken pursuant to the rules and standards of the Board with regard to my application, the examination(s) and/or my certification except claims based on gross negligence or lack of good faith.

I agree that if I pass the examination, the Board may release my name and the fact that I have been granted certification in [Primary Care in Podiatric Medicine / Foot and Ankle Surgery / Prevention and Treatment of Diabetic Foot Wounds and Diabetic Footwear/ Limb Preservation and Salvage] to newspapers and other publications. I agree that the Board may release my name and address in a listing of certified podiatrists to individuals and/or organizations interested in podiatry as directed by the board of directors.

By signing, I acknowledge that I have read and understand this information, and agree to abide by these terms.
