PLEASE NOTE

RACC is going to include questions referencing the Uniform Guidance into the examinations on a slight delay and over a period of time/phases. This decision was based on the fact that one of our eligibility requirements is that a research administrator needs to have at least three years of experience in the profession, so we are essentially testing information which should have been acquired from working during the last three years. Additionally, many of the changes to the annual audit requirements do not take place immediately and are implemented over time.

RACC has decided to phase the new regulations into our examinations gradually, so that by the end of three years the examinations will be totally based on the new Uniform Guidance and the resulting agency positions in the management of their awards. We believe that this phased approach will also mirror how research administrators will be implementing the regulations in daily decisions and in our roles.

The CRA Examination will consist of items based entirely on 2 CFR 200 (Uniform Guidance) by 2018.

This handbook contains necessary information about the Certification Examination for Research Administrators (CRA). Please retain it for future reference. Candidates are responsible for reading these instructions carefully. This handbook is subject to change.
CERTIFICATION

The Research Administrators Certification Council (RACC) promotes the concept of voluntary certification by examination for all research and sponsored programs administrators. After passing this exam, an individual earns the Certified Research Administrator (CRA) designation. Certification is just one part of a process called “credentialing”. It focuses specifically on the individual and is one indication of current competence in this specialized field. Certification in research and sponsored programs administration is highly valued and provides formal recognition of basic knowledge in this field.

REASONS FOR CERTIFICATION

1. To provide documented evidence to a current or potential employer that an individual has been examined by an independent professional certifying organization and found to possess a certain level of basic knowledge of research and sponsored programs administration.

2. To provide personal and professional satisfaction of achievement of meeting established criteria indicating the attainment of a level of basic knowledge that is customary to be a professional in the field of research and sponsored programs administration.

3. To demonstrate commitment to the profession and to one's peers that an individual has taken the time and effort, beyond job experience, to learn the Body of Knowledge, thus exhibiting a significant responsibility to working in the profession of research or sponsored programs administration.

ELIGIBILITY REQUIREMENTS

1. Bachelor’s Degree and three (3) years of professional experience in research or sponsored programs administration either in a sponsoring or recipient organization or the equivalent in a self-funded organization;

   OR

2. An Associate’s Degree and five (5) years of professional experience in research or sponsored programs administration either in a sponsoring or recipient organization or the equivalent in a self-funded organization;

   OR

3. No degree and six (6) years of professional experience in research or sponsored programs administration either in a sponsoring or recipient organization or the equivalent in a self-funded organization. *

* Petitions for approval of this option are available on the RACC website at: http://www.rracc-cert.org/CRApetition.htm.

ADMINISTRATION

The Certification Program is administered by the Research Administrators Certification Council (RACC). The Certification Examination for Research Administrators is conducted by the Professional Testing Corporation (PTC), 1350 Broadway - 17th Floor, New York, New York 10018, (212) 356-0660, http://www.ptcny.com. The Professional Testing Corporation is an organization whose services are focused on the measurement aspects of human resources, including the design, development, and administration of test and testing programs for professional organizations. Questions concerning the examination should be referred to PTC.
ATTAINMENT OF CERTIFICATION

Eligible candidates who pass the examination will be certified for a period of five years, are eligible to use the registered designation CRA after their names, and will receive a certificate from the RACC. A registry of Certified Research Administrators is maintained by the RACC and may be reported in its publications. Further information concerning the CRA credentialing program and information regarding preparation for the examination may be found at the RACC Home Page, http://www.racc-cert.org. An annotated list of RACC’s Body of Knowledge may be found at: http://www.racc-cert.org/BodyOfKnowledge.html.

To maintain the CRA designation beyond the initial five years and every five years thereafter, CRAs will need to show evidence of continuing professional development. Recertification guidelines and the application are available on the RACC homepage, http://www.racc-cert.org/application.html.

CODE OF ETHICS

EXAMINATION ADMINISTRATION

The Certification Examination for Research Administrators is administered during an established two-week testing period on a daily basis, Monday through Saturday, excluding holidays, at computer-based testing facilities managed by PSI. PSI has several hundred testing sites in the United States, as well as Canada. Scheduling is done on a first-come, first-serve basis. To find a testing center near you, visit www.ptcny.com/cbt/sites.htm or call PSI at (800) 733-9267. Please note that hours and days of availability vary at different centers. You will not be able to schedule your examination appointment until you have received a Scheduling Authorization from PTC.

TESTING SOFTWARE TUTORIAL

A Testing Software Tutorial can be viewed online. Go to www.ptcny.com/cbt/demo.html. This online testing software tutorial can give you an idea about the features of the testing software.
SCHEDULING YOUR EXAMINATION APPOINTMENT

Once your application has been received and processed and your eligibility has been verified, you will be sent a postcard from PTC confirming receipt. Within six weeks prior to the first day of the testing period, you will be sent a Scheduling Authorization by email from notices@ptcny.com. Please add the ‘ptcny.com’ domain to your email spam filter safe list.

Your current government-issued photo identification must be presented in order to gain admission to the testing center. PTC suggests you bring a paper copy of your Scheduling Authorization and your PSI Appointment Confirmation. If you do not receive a Scheduling Authorization or other correspondence at least three weeks before the beginning of the testing period, contact the Professional Testing Corporation at (212) 356-0660.

The Scheduling Authorization will indicate where to call to schedule your examination appointment as well as the dates during which testing is available. Appointment times are first-come, first-serve, so schedule your appointment as soon as you receive your Scheduling Authorization in order to maximize your chance of testing at your preferred location and on your preferred date.

After you make your test appointment, PSI will send you a confirmation email with the date, time and location of your exam. Please check this confirmation carefully for the correct date, time, and location. Contact PSI at (800) 733-9267 if you do not receive this email confirmation or if there is a mistake with your appointment.

- It is your responsibility as the candidate to contact PSI to schedule the examination appointment.
- It is highly recommended that you become familiar with the testing site.
- Arrival at the testing site at the appointed time is the responsibility of the candidate. Please plan for weather, traffic, parking, and any security requirements that are specific to the testing location. Late arrival may prevent you from testing.

CHANGING YOUR EXAMINATION APPOINTMENT

If you need to cancel your examination appointment or reschedule to a different date within the two-week testing period, you must contact PSI at (800) 733-9267 no later than noon, Eastern Standard Time, of the second business day PRIOR to your scheduled appointment. PSI does not have the authority to authorize refunds or transfers to another testing period.

SPECIAL NEEDS

RACC and PTC support the intent of and comply with the Americans with Disabilities Act (ADA). PTC will take steps reasonably necessary to make certification accessible to persons with disabilities covered under the ADA. Special testing arrangements may be made upon receipt of the Application, examination fee, and a completed and signed Request for Special Needs Accommodations Form, available from www.ptcny.com or by calling PTC at (212) 356-0660. This Form must be uploaded with the online application at least EIGHT weeks before the testing period begins. Please use this Form if you need to bring a service dog, medicine, food or beverages needed for a medical condition with you to the testing center.

Information supplied on the Request for Special Accommodations Form will only be used to determine the need for special accommodations and will be kept confidential.
CANDIDATES OUTSIDE THE UNITED STATES AND PARTS OF CANADA

It may be possible to establish a special testing center to take a paper and pencil examination in your own country for an additional fee of $100.00. A Request for Special Testing Center Form is available at www.ptcny.com and must be submitted along with payment to PTC upon submission of application EIGHT weeks before the testing period begins.

The Special Testing Center Fee will be waived for groups of five or more testing at the same time and location.
